

INSTRUCTIONS

AGES 3 and up

2 to 6 PLAYERS

OBJECT: The first player to get three rings in a row - across, down, or diagonally - on their game card wins the game.

GAME SET-UP: Each player takes one Bingo the Puppy™ game card. Place all the red rings in the center of the play area.

GAME PLAY: The first player rolls Bingo the Puppy™. When Bingo stops, the player counts the 'spots' showing on the TOP surface of Bingo. If you see a space on your game card that matches those 'spots', place a ring on that space and the player's turn is over.

If your game card has 2 spaces that match the 'spots' on Bingo, place a ring on both spaces and your turn is over.

If you roll Bingo and don't have any OPEN spaces that match the 'spots' on your roll, your turn is over.

Play moves to the next player and continues until one player has three rings in a row. That player is the winner.
